- Creativity

Education

Front-End Developer Certification
SheCodes — 2023-2024

Bachelor of Arts (B.A.)
University of California, Irvine — 2014-2016

Experience

Front-End Developer
Wild Byte — June 2024-Present

Developed UI (user interface) for 2 eCommerce websites using HTML, JavaScript, Bootstrap, and CSS. Utilized SEO (Search Engine Optimization) best practices and techniques to optimize results.

Community Navigator
Tri-City Mental Health — December 2023-Present

Help individuals, families and caregivers gain access to needed resources, including informal community supports and formal services. Community Navigators identify and verify current available services to ensure community members are quickly connected to the support they need.

Intensive Case Manager — 2022-2024
Brilliant Corners

Developed and implemented individualized case management services plans that ensured housing stability, and identified short and long-term goals.

Behavior Therapist
Creative Solutions for Hope — 2021-2022

Designed and modified individual behavioral plans to target client needs. Provided essential services to support client health, safety and welfare. Summarized individual client data and test results and maintained meticulous documentation.
